Dear Sir/Madam,

**RE: MY FIRST IMPRESSION.**

I take this opportunity to thank DAAD-Stiftung for awarding me with the Garissa Master Scholarship Kenya. It is an honor for me to be awarded with the scholarship.

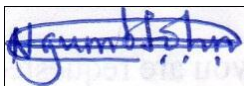

Thank you for granting me this golden opportunity to continue with my professional studies which will lead to my career growth and development. I also want to thank the DAAD family (Stiftung and Daad e.V) for taking time and using your resources throughout the application process.

I was very impressed by your trust and confidence in me when you considered my application for Garissa Master Scholarship Kenya suitable. Your support will never be in vain. I will work extremely hard, diligently and with total dedication in academics (my study project) to give the best results possible.

This Master's program brings me a step closer to my dream of becoming a Doctor (PhD Holder) and a professor. I am certain to push through with the dedication I have always worked with to accomplish my goals. I am confident that I will emerge victorious at the end of the study programme.

I will keep the Scholarship terms and conditions up-to the latter. My promise to DAAD-Shiftung is to remain loyal, honest, transparent, focused, committed and dedicated.

Yours sincerely,

Johnson Ngumbau Munyoki
